EXPERIENCE

OASIS INFOBYTE | JAVA DEVELOPER INTERN

May 2023 – June 2023

- Proficient in Java application development.
- Collaborated with cross-functional teams to enhance UI/UX.
- Implemented resilient database systems for efficient data management.
- Integrated Secured Databases in Java Applications

BHARAT INTERN | WEB DEVELOPER INTERN

September 2023– October 2023

- Successfully delivered multiple projects, showcasing proficiency in Web Developments.
- Independently designed and developed aesthetically pleasing UI/UX interfaces, seamlessly integrating them with backend functionalities to enhance user experiences.
- Collaborated effectively with fellow developers to create a robust Web Application, incorporating RestAPIs and database integration for a feature-rich user experience.
- Diligently identified and resolved bugs and errors within applications, ensuring optimal performance and user satisfaction.

BHARAT INTERN | MACHINE LEARNING INTERN

September 2023 – October 2023

- Demonstrated expertise in machine learning techniques and algorithms, contributing to the development of data-driven solutions.
- Collaborated effectively with multidisciplinary teams to integrate machine learning models into existing systems.
- Played a key role in data preprocessing and management, ensuring high-quality and clean datasets for training machine learning models.
- Conducted thorough model evaluations, fine-tuning algorithms, and implementing best practices to improve model efficiency and results.

PROJECTS

SENTIMENT ANALYSIS | TEAM LEADER

March 2023 – June 2023 | Using Python

- Demonstrated expertise in Python-based sentiment analysis, extracting valuable insights from textual data.
- Developed and fine-tuned machine learning models for sentiment classification, achieving high accuracy in sentiment prediction.

USER WEB AUTHENTICATION | INTERNSHIP PROJECT

September 2023 | Using Python and Django Framework

- Developed a robust user registration system, enabling seamless sign-up processes with email verification and password hashing.
- Implemented secure login functionality, incorporating user session management and authentication checks for protected resources.

TOURISM WEBSITE | WEB DEVELOPMENT PROJECT

October 2023 – November 2023 | Using Html,Css,Js

- Created an intuitive, user-friendly interface seamless navigation.
- Ensured the website's adaptability for a consistent user experience.

EDUCATION

MALLA REDDY UNIVERSITY

B.TECH IN CSE (AI AND ML)

April 2025 | Hyderabad, TS

CGPA : 8.95

SRI CHAITANYA COLLEGE

HIGHER SECONDARY EDUCATION

March 2021 | Tirupati, AP

Percentage : 94.8 Percentage of 100

SRI CHAITANYA SCHOOL

SECONDARY SCHOOL CERTIFICATE

CGPA : 10 out of 10

SKILLS

PROGRAMMING

Proficient :

- Java
- Python
- Oracle
- DSA
- MySQL
- SQLite

Familiar:

- Html
- CSS
- JavaScript
- Git | Github
- C
- NLP

FRAMEWORKS :

Proficient :

- Flutter
- PHP
- Django

ACHIEVEMENTS

- Member of Computer Society of India
- Participated in Flipkart Tech Hackthon
- Participated in Accenture Innovation
- Top 1 In the Weekend Coding Ninjas

CERTIFICATIONS

- Maths For MachineLearning (Coursera)
- Cloud Computing On AWS (AWS Academy)
- Data Analysis With R (Google)
- Relational Database System (Coursera)
- Introduction to CSS (Coursera)

PUBLICATIONS

- Sentimental Analysis Using Python (IJSREM - June 2023)
